About Me

After graduating from the programming department, I worked remotely on graphic design for about 5 years. I have been working to be a **Front End Developer** for the last 7 months and I am looking for a job in this field. Because of my old job, *I give importance to design and visuality in my work.*

EXPERIENCE

Graphic Designer, Data Analysis

JPMC | 2016 - 2020

My job task: Preparation of up-to-date statistics according to the situation in the stock market. Preparing visual infographics about the obtained data and organizing these data..

Senior Analyst

Amazon | 2021 - Present

My job task: Leading a team of 5 colleagues, selcting and shortlisting statistics and infographics, analyzing data and presenting data weekly...
